MISSION STATEMENT

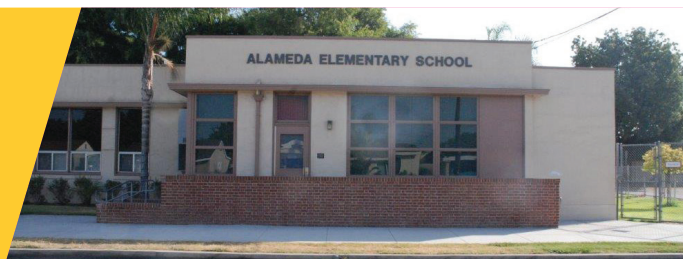

At Alameda, our staff strives to create a place for kids to feel successful and be the best person they can be. We will utilize and develop resources to empower the school, home, and community. We are committed to developing compassionate, responsible citizens who will be confident, creative, and productive members and leaders of a global society. Our pledge is that all Alameda students will graduate high school; we are sure to see our alumni making a positive difference in the world!

WHAT WE OFFER:

- 21st Century Learning
