REPORTING PUPIL ATTENDANCE

AR 2161

Attendance shall be counted when a pupil is present during the time lawfully prescribed for the school or class in which he/she is enrolled, and when such attendance meets the requirements of the Education Code.

Subject to the provisions of Title 5, Administrative Code, for apportionment purposes a pupil enrolled in a regular day class or a special day class for the minimum school day applicable to him/her is deemed present for the entire school day, unless he/she is absent for the entire school day prescribed by Board Policy.
