HAZING

AR 2415

The school principal or designee will make every reasonable effort to prevent hazing on and off the campus.

All sponsors/advisors of student organizations, student members, and potential members will be informed of AR 2415.

Student organizations will be encouraged to include the no hazing policy in by-laws, procedural rules, or contracts.

Any student participating in hazing will be subject to disciplinary measures which may include being removed from or denied membership in the student organization.

Student organizations may be placed on probation or may be disbanded for member participation in hazing.
