CLOSED CAMPUS

AR 2530

A closed campus shall mean that a pupil, after arriving at school, may not leave the school grounds without a written permit from the school, until the end of the school day.

Lunch Passes

The right of a parent to request that his/her child be permitted a lunch pass to eat at home at noon is recognized where the child resides within walking distance of the school. Such a request must be in writing, signed by the parent/guardian, and must specify each day the pupil is to be excused from campus for lunch.

Abuse of the above privilege shall be just cause for revocation of the lunch pass by the principal or designee.
