

Downey Unified School District

STUDENTS

INFECTIOUS DISEASES

BP 2620

It shall be the policy of the Board of Education to protect the health of students from risks posed by infectious and communicable diseases and to uphold the right of students to a free and appropriate education.

The Board of Education encourages parents/guardians to inform the Superintendent or designee if a student is afflicted with an infectious or communicable disease so that the student will have access to appropriate programs and services.

The admission of a student with an infectious or contagious disease shall be determined by the Superintendent or designee. The District shall exclude students only in accordance with the law.
