INSTRUCTION

CURRICULUM GUIDES AND PUBLISHED MATERIALS

BP 3123

It shall be the policy of the Board of Education to publish from time to time curriculum guides and other instructional materials.

Published materials will be distributed to teachers, principals, supervisors, administrators, and members of the Board of Education as required or requested.

Publications may be exchanged with, sold, or given to any person, political subdivision, public officer or agency, or educational institution in accordance with the Education Code and the California State Constitution. The price of each publication shall be determined by the costs of publication, handling, and shipping.

The Board of Education shall determine which materials shall be subject to sale or exchange, and shall fix the price of each such publication. The price shall be determined by consideration of publication, handling, and shipping.
