INSTRUCTION

HOMEWORK

BP 3133

It shall be the policy of the Board of Education to encourage assignment of homework beyond the regular school day.

Elementary Schools

At elementary levels assignment of homework is carefully planned and takes into consideration the abilities and needs of individual pupils. All homework assignments should be based on sound educational practices.

Secondary Schools

At secondary levels assignment of homework meets a real need and has a regular place in the educational program. All homework assignments should be based on sound educational practices.
