HOME INSTRUCTION

BP 3154

It shall be the policy of the Board of Education that upon a parental request and a physician's written recommendation to the principal, a student whose absence from school is anticipated for two or more weeks because of injury or physical illness shall be considered for home instruction. A student identified with special needs and unable to attend school shall be considered for home instruction as part of the special education program as determined by the individualized education program (IEP) team.
