

Downey Unified School District

INSTRUCTION

EMERGENCY PROCEDURES AND DISASTER PREPAREDNESS

BP 3156

It shall be the policy of the Board of Education to maintain emergency procedures and disaster protection for the students of the District.

The objectives of the program shall be

1. To protect the pupils, employees, and facilities during emergencies that occur when school is in session and to establish appropriate plans for various emergencies.
2. To cooperate with local authorities in serving the community following a major disaster.
3. To inform pupils, parents, and the public of current emergency concepts and practices, and ensure that instruction is given in the schools of the District.
