INSTRUCTION
(Adult)

CLASSROOMS

BP 3510

It shall be the policy of the Board of Education that any adult education class to be offered on other than a District-owned site must have the prior approval of the Superintendent. When adult education classes meet during the daytime on an authorized Downey Unified School District campus that is occupied by other school programs, the principal of adult education shall work cooperatively with the site's regular principal. This does not imply responsibility or control of activities directly related to the day school program.
