INSTRUCTION
(Adult)

FIELD TRIPS

BP 3830

It shall be the policy of the Board of Education that students in a class accompanied by the instructor may go on a field trip, provided the primary objective is educational.

Attendance on field trips shall not be a requirement as a consideration in the final grade for the class. Students who attend field trips do so of their own free will and at their own risk. All field trips must have prior approval of the principal.
