

Downey Unified School District

CERTIFICATED PERSONNEL

TUTORING

BP 4134

It shall be the policy of the Board of Education to compile and furnish lists of available tutors to parents and/or guardians of students of the Downey Unified School District.

Teachers shall not charge a fee for tutoring students that are currently in their class(es). Certificated employees who are not classroom teachers shall not charge a fee for tutoring if they are performing any District provided services to the students they are tutoring. All private tutoring must be performed outside of school district facilities.
