

Downey Unified School District

ADMINISTRATIVE SERVICES

CAFETERIA

BP 6200

It shall be the policy of the Board of Education to establish cafeterias in all regular schools of the District.

Food Services is defined as those activities necessary to serve one or more meals or to provide supplementary feeding. Expenses of food services shall not be included in the current expense of education nor in the usual computation of per capita costs identified as current expenses of education. The term "Food Services," as used in these policies, is considered synonymous with the term "Cafeteria."
