

Downey Unified School District

ADMINISTRATIVE SERVICES

TRANSPORTATION - RESPONSIBILITY

BP 6624

It shall be the policy of the Board of Education to recognize that the problems of responsibility of the Bus Driver are unique and the actions and response of said driver must necessarily be independently initiated within the framework provided by the Motor Vehicle Code, the Education Code, and the Administrative Code.

The Bus Driver shall be responsible for the safety and behavior of students and passengers actually aboard a school bus.

The principal of each school provided with transportation will be responsible for the discipline of students and passengers at all points of loading and unloading.
