DRUG AND ALCOHOL TESTING FOR SAFETY SENSITIVE AND OTHER  
POSITIONS

BP 6625

It shall be the policy of the Board of Education to comply with Federal Highway Administration regulations requiring alcohol and drug testing for employees performing safety-sensitive functions who are required to possess a commercial motor vehicle license and all employees in Unit II in accordance with C.S.E.A. Chapter 746 bargaining agreement. Safety-sensitive functions are defined as loading, unloading, operating, dispatching, or maintaining a commercial motor vehicle, which is defined as a motor vehicle designed to transport sixteen or more passengers, including the driver. An employee is considered to be performing a safety-sensitive function during any period in which he or she is actually performing, ready to perform, or immediately available to perform any safety-sensitive function.
