

Downey Unified School District

ADMINISTRATIVE SERVICES

DISTRICT SAFETY PROGRAM

BP 6710

It shall be the policy of the Board of Education to provide for a District wide safety program which will encourage awareness of and adherence to accepted safety practices and standards. This program shall incorporate those requirements established by the Education Code, Division of Industrial Safety (CAL/OSHA), and the State Fire Marshal.

Supervision of the District Safety Program shall be the responsibility of the Superintendent's designee.
