

Downey Unified School District

INTERNAL BOARD OPERATIONS

DUTIES OF INDIVIDUAL MEMBERS

BP 9370

It shall be the policy of the Board of Education that it is individually and collectively responsible to the community for the educational welfare of all its children. More specifically, the Board of Education is responsible for the welfare of children and the community as it may be enhanced by a program of public education, and for the future welfare of the community as the children in school today become responsible adult members of the community.
