

Downey Unified School District

INTERNAL BOARD OPERATIONS

REGISTRATION OF VOTERS FOR SCHOOL ELECTIONS

BP 9420

It shall be the policy of the Board of Education that every person who qualifies under the provision of Section I of Article II of the Constitution of the State of California and who complies with the provisions of the State of California Election Code governing the registration of electors is entitled to vote at any school election held within the school district within which he/she resides.

In order to qualify a voter must have been registered at least thirty days preceding such election.
