

## Summer School

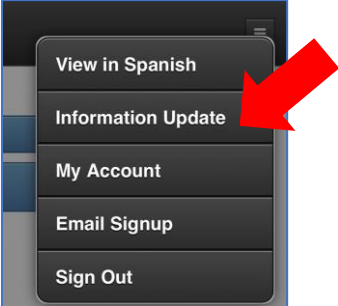

Parents can log into ParentConnection to register in for Summer School.

**Logging in:** Q Parent Connection website: <https://parentconnection.dusd.net/>

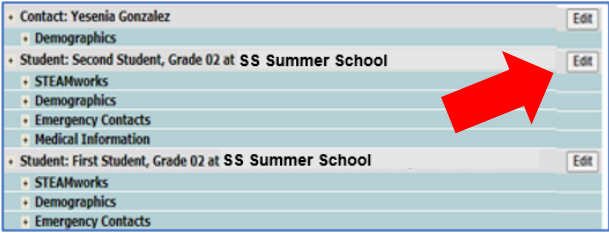

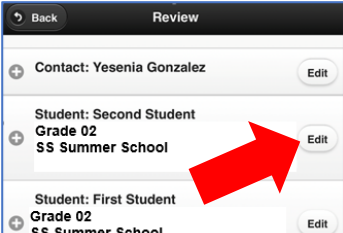

### 1. Type in your PIN and Password, then click on Log In.

Desktop Computer	Mobile Device
	

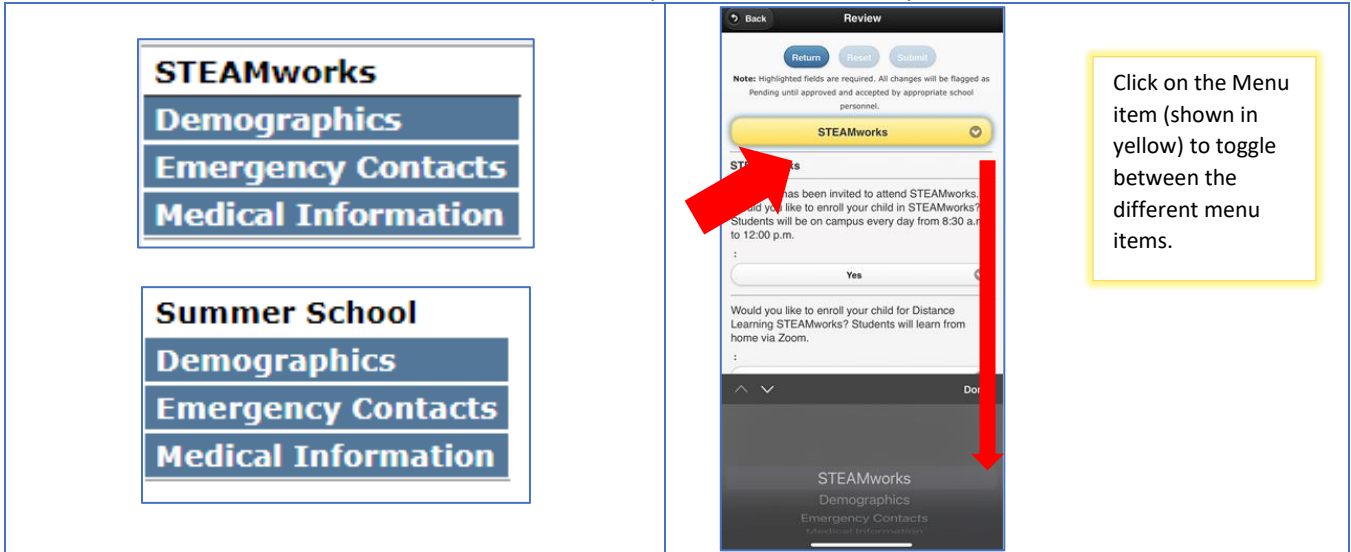

### 2. Click on Information Update.

<p>Located in the top right-hand corner.</p> 	<p>Click on the 3 lines in the upper left to view.</p> 
--	---

### 3. Click on the Edit button to edit Student information, if you have multiple students, it will be necessary to complete all of the following steps for each student.

	
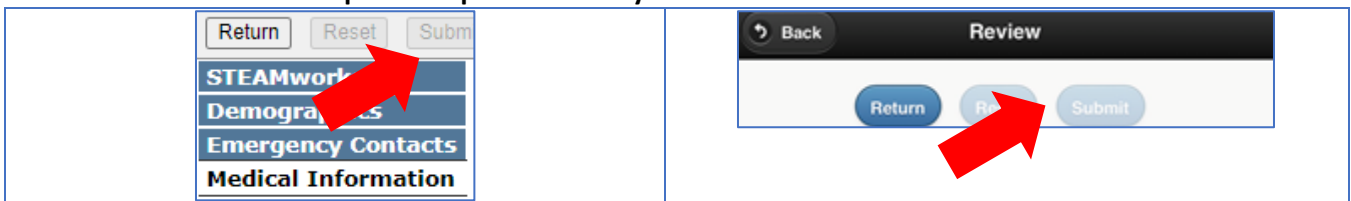

---	--

4. There are multiple sections, however, to register for Summer you will only need to complete the STEAMworks or Summer School section. On a desktop computer, the sections are listed on the left-hand side after you click Edit. On a mobile device, click on the Menu item to toggle to STEAMworks or Summer School.
- STEAMworks or Summer School: All questions must be answered to register.
  - Demographics: Update your student's information, if needed.
  - Emergency Contacts: Review and add any new contacts, if needed. Please ensure there are at least five contacts listed and that all phone numbers are up to date.

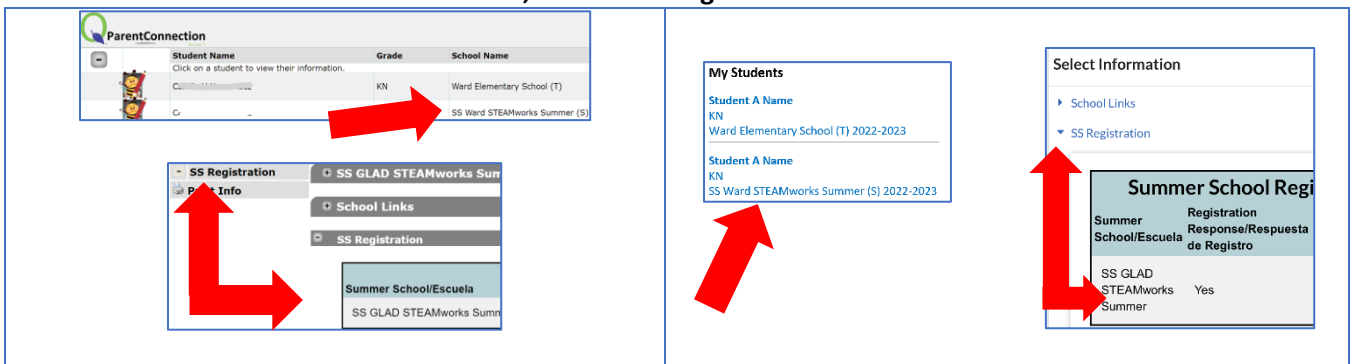

The image shows two screenshots. On the left, a desktop menu with two sections: 'STEAMworks' and 'Summer School'. Each section has three sub-items: 'Demographics', 'Emergency Contacts', and 'Medical Information'. On the right, a mobile app 'Review' screen with a yellow 'STEAMworks' menu item highlighted. A red arrow points to this menu item. A yellow box contains the text: 'Click on the Menu item (shown in yellow) to toggle between the different menu items.'

5. Once the registration is complete, click on Submit to save changes or Return if no changes were made. Complete the process for any additional students.

The image shows two screenshots of buttons. On the left, a desktop view with 'Return', 'Reset', and 'Submit' buttons at the top, and a menu with 'STEAMworks', 'Demographics', 'Emergency Contacts', and 'Medical Information' below. A red arrow points from the 'Submit' button to the 'STEAMworks' menu item. On the right, a mobile app 'Review' screen with 'Return', 'Reset', and 'Submit' buttons. A red arrow points to the 'Submit' button.

6. Click Back to view your student's school site. Select the Summer school line to view Summer School details. On the menu list, click on SS Registration to view details.

The image shows three screenshots. The first is a desktop 'ParentConnection' interface with a table of students and a menu on the left. A red arrow points from the 'SS Registration' menu item to the 'SS Ward STEAMworks Summer (S)' row in the table. The second screenshot shows a mobile 'My Students' list with two student entries. A red arrow points to the second entry: 'Student A Name, KN, SS Ward STEAMworks Summer (S) 2022-2023'. The third screenshot shows a mobile 'Select Information' screen with a 'Summer School/Escuela' section. A red arrow points to the 'SS GLAD STEAMworks Summer' row, which has a 'Yes' in the 'Registration Response/Respuesta de Registro' column.
