Summer School 2025

Summer school is designed to help students catch up on any missed credits or improve their grades in order to stay on track for graduation or college admission. This year, summer school will be in session from Thursday, June 12 - Friday, July 18.

Period 1 classes will run from 8:30 AM - 10:30 AM.

Period 2 classes will run from 11:00 AM - 1:00 PM.

Make sure to talk to your school counselor about your summer school classes!

Mr. Jesus Alvarez will be the summer school Principal, and Ms. Jessica Saucedo and Ms. Jennifer Hudson will be the summer school Assistant Principals.

Counseling Highlights

During the week of April 22-25, school counselors reviewed Q4 Progress Reports to identify 12th-grade students who were in danger of failing one or more classes required for graduation. Counselors mailed home letters, indicating if a student was on the Senior Fail List. The letter stated that if students do not clear their classes by May 23, 2025, then they may not participate in the graduation ceremony on May 29, 2025. We also advised parents/guardians to check their students' grades via Parent Connection and contact teachers directly via email.

Some advice would be to establish short- and long-term goals that keep you motivated throughout your journey. Get involved in activities and clubs to build friendships and develop leadership skills. Foster positive relationships with teachers and administrators. Ask for help when you need it. Embrace challenges as opportunities for growth, and remember that learning is lifelong.
