BACK TO SCHOOL NEWSLETTER-2021

Dear Unsworth Families,

Welcome to the 2020-2021 school year. I am grateful to be a part of our Unsworth Family. Indeed, this is not the way many of us would have ever imagined our school year starting. We know that you have worked very hard to make the adjustments necessary to continue to support your families and to prepare for this upcoming school year. We thank you all very much for your patience, perseverance, and commitment to your children's long term success!

The trust you place in our school is not something we take lightly. Our most important work throughout this school year will be to ensure that our students, teachers, staff, and you our Unsworth families, have the support needed to thrive. Our work will focus on creating an environment where your children are always a priority, where we work to strengthen our school wide programs, and where we build a positive relationship with our Unsworth community.

I look forward to the adventure that awaits us this school year and most importantly to all of us rising to the occasion that our present circumstances call for. Let's make this school year an amazing experience.

Sincerely,

Mr. Naval

Message from the Principal, Mrs. Becker

Dear Families,

We are thrilled to be back at school, in person, for the 2021-2022 school year. The safety and well being of our students and staff is always our top priority, and will continue to be as we follow the protocols and guidance provided to us by our District.

As we navigate through the year ahead, we ask for your grace, patience, and flexibility. One thing we have learned through the last year and a half, is that changes happen frequently, which we know can be confusing and even frustrating. We promise that we will be transparent and share updates and information with you as we get it. With that being said, communication between home and school is more important than ever. When you have questions or concerns, please reach out to your child's teacher, and of course Mr. Naval or myself. We are here to support you and provide you the resources that you need to help your child be the best they can be. TOGETHER WE ARE BETTER!

With respect, Mrs. Becker

Congratulations and goodbye to Dr. Stanley. We are very happy to share that Dr. Stanley and his wife welcomed their baby, Jacob Cash Stanley. In August. Dr. Stanley was also promoted to Vice Principal of Gallatin Elementary School! Although we miss him, we know that he will continue to do great things at Gallatin.

### Homework Helpful Hints

1. Limit distractions
2. Have supplies available
3. Establish a set time
4. Be positive
5. Give guidance, but don't give the answers
6. Set break times
7. Foster independence
8. Reward progress and effort

Please communicate with the teacher when you have questions. It's important for your child to know that we are all a team working together!

Welcome to our Newest Sun  
We are so excited to welcome Mrs. Rosio Martinez to Unsworth. Mrs. Martinez took over Dr. Stanley's position as Categorical Resource Teacher, Mrs. Martinez has been a teacher in our district for many years. Welcome to Mrs. Martinez!

### School Cents
