Hello Future First Grade Families!

The following is a list of supplies that we will need in First Grade. Purchasing these items is voluntary and your donations are greatly appreciated. Our classroom supply budget is very limited and we need your help! Most of these supplies are on sale during the summer at stores such as Target, Walmart, and many office supply stores. We are requesting specific brands because they are the best quality and we want all students to have the same supplies.

Thank you!

Personal Note from the teachers:

In years prior, we have required our students to have 3-ring binders. It has been our observation, however, that these have proven to be heavy distractions that just seem to take up a lot of room, rather than be useful. All our fifth graders really need is a two-pocket folder for transporting graded papers and nightly homework. All other schoolwork is complete in spiral notebooks.
