WHAT IS A SCHOOL-PARENT COMPACT?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

JOINTLY DEVELOPED

The parents and staff of Warren developed this School-Parent Compact for Achievement. Meetings are held each year to review the Compact and make changes based on student needs.

Parents are welcome to contribute at any time.

If you would like to volunteer, participate, or observe in the classroom, please contact the school or PTSAs.

BUILDING PARTNERSHIPS

Parents and guardians are invited to attend all of our partnership building events, including:

- Back-to-School Night
- PTA Meetings – Monthly
- Parent Workshops
- Open House
- Awards Assemblies
- School Site Council Meetings
- Title I and English Learner Advisory Council
- Student Productions
- District Sponsored events

DISTRICT GOAL

By June 2026, 75-100% of all students will perform at grade level or higher and upon graduation meet the requirements for entrance into the UC and CSU system.

SCHOOL GOALS

By June 2026, we will continue to increase the number of students reaching proficiency in Mathematics, English Language Arts, and English Language Proficiency as measured by the CAASPP and ELPAC assessments.

Our focus in English Language Arts will be:

- Develop life-long reading and comprehension strategies, which will increase proficiency in state testing and meet our critical reading focus.
- Encourage and foster students' interest in reading a variety of fictional literature and nonfiction texts.
- Determine the meaning of, comprehend, and appropriately utilize academic vocabulary in speaking and writing.

Our focus in Mathematics will be:

- Integration of technology to enrich day to day learning, intervention and authentic assessment.
- To have students explain their mathematical reasoning that supports their problem solving strategy.
- To provide daily homework in order to review and practice the day's lesson.

Our focus in English Language Development will be:

- Increase the number of students making annual progress on the ELPAC through targeted instruction and daily opportunities to practice listening, speaking, reading, and writing.
- Accelerate the reclassification of English Learners as English Proficient by providing focused support in academic language development across all subject areas.
- Support students in developing and using academic vocabulary to improve participation in classroom discussions, presentations, and writing.
- Encourage families to support language development at home by reading together, engaging in conversations in English, and utilizing school-provided resources.

AT SCHOOL

The Warren staff will work collaboratively with families to support our students' success. We commit to:

- Communicate regularly with parents regarding current academic programs and be accessible to parents/guardians to discuss questions or concerns
- Provide materials and information to help parents support the school's academic program

Parent Workshops

- **Literacy** - Provide parents with strategies and resources on how to read with or listen to their child read and interact with text
- **Mathematics** - Provide parents with strategies and resources on how to help their child solve real-world math problems in a variety of ways
- **English Language Acquisition** - Provide parents with strategies and resources on how to help their child acquire English proficiency.

AT HOME

Warren parents will work to support our students' success. We commit to:

- Review my student's schoolwork/grades and contact teachers with questions or concerns. Schedule appointments as needed.
- Ensure my student reads at least 20 minutes each night from fiction or nonfiction texts.
- Engage my student in real-world math (budgeting, cooking, planning) and attend workshops to support learning.
- Provide opportunities to practice English at home through daily conversations, reading, writing, and reviewing assignments.
- Ensure my student attends school daily, maintains at least 95% attendance, and arrives on time ready to learn.
- Attend Parent Workshops and parent partnership opportunities throughout the year to support my students' learning.

Warren is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

WARREN HIGH SCHOOL VISION

Warren High School students embody academic and moral character, are educationally empowered, and prepared to contribute to the global community.

OUR STUDENTS

The Warren students are determined to achieve success and commit to:

- Take home, review, and discuss schoolwork and assignments nightly with parents/guardians
- Ask for help when I have trouble with my schoolwork, quizzes, labs, or essays
- Actively participate in classroom discussions and group work
- Read fiction or nonfiction texts for 20-30 minutes every day
- Use strategies learned in class to solve real-world math problems
- Arrive on time ready to learn with a fully charged device and school supplies
- Complete all assignments on-time and turn-in any make-up work in a timely fashion
- Attend tutoring opportunities as needed to support my understanding of course content
