# **High School Textbook Catalog**

Revised **2013 - 2014**

**Note:** California Assembly Bill X4 2 (*Chapter 2, Statutes of 2009-10 Fourth Extraordinary Session*) signed on July 28, 2009, suspended the process and procedures for adopting instructional materials.

Framework revisions, incorporated with the National Common Core Standards, will be available in the 2013-14 school year.

School districts have been advised that the California State Board of Education is scheduled to review textbooks for adoption, aligned to the new frameworks, in 2016-17 (math) and 2018-19 (English~language arts).

Currently, in Downey Unified School District, all textbook adoptions have been suspended, pending decision from the California Department of Education.
