Downey, CA 90241-7017

Janie,

Thank you for the opportunity to respond to Downey Unified School District's Request for Proposals for Apple Computer Products and Services. Apple's response is attached.

Our goal is to make amazing products that enrich people's lives. And nowhere does that play out more than in education. For 40 years we've designed products that create opportunities to engage every student. Our products help teachers transform traditional classrooms and lessons into experiences that inspire creativity and encourage collaboration—experiences that profoundly impact a student's curiosity for learning and path in life. We have authored seminal research. We have strong relationships with education thought leaders. And we work closely with a community of educators to understand how they use Apple products to raise the bar for what's possible for learning, teaching, and their school environments.

### **3. Terms and Conditions of Purchase**

#### **3.1 Ordering**

Customer may order Products from Apple by either: (i) ordering at an Apple Retail Store, (ii) ordering electronically through the online portal managed by Apple, (iii) submitting a purchase order to Apple, as permitted by Apple, or (iv) by any other means communicated by Apple. Customer is solely responsible for all purchase decisions, including but not limited to, ensuring the compatibility and appropriateness of all Products. All purchases of Products under this Agreement shall be made solely for Customer's end use and not for resale. In the event Customer submits orders via an online portal managed by Apple, Customer agrees to Apple's Terms of Use and Privacy Policy located on such online portal. Furthermore, purchases through an online portal may also be subject to an Online Sales Policy. In the event of any inconsistency between this Agreement and the Online Sales Policy, this Agreement will govern.

3.2 Customer's subsidiaries and/or affiliates may not purchase Products from Apple under this Agreement unless Apple has agreed in signed writing with Customer that such subsidiaries and/or affiliates are authorized to purchase Products from Apple pursuant to this Agreement. Such authorization shall be subject to the parent company having provided a guarantee of the debts to Apple of such subsidiaries and/or affiliates and compliance with the obligations of this Agreement by such subsidiaries and/or affiliates. Notwithstanding the foregoing, Apple may require at its sole discretion that the debts to Apple of such subsidiaries and/or affiliates must be included in a parent company guarantee.

#### **3.3 Limited Billing Service Account**

Apple will provide Customer a limited billing service account to use when placing service orders such as Customer Installable Parts (CIPs) and mail-in or on-site repairs via the contact center or Apple Retail Stores. Customer may be asked to submit a purchase order when placing a service order. Customer acknowledges that Apple does not provide service CIP or repair pricing on an Apple price list. Apple will quote current service CIP or repair pricing to Customer prior to processing any purchase order, and Customer will have the option to either accept or decline the quoted prices. Apple will not process the purchase order if Customer declines the quoted price, but will process the purchase order under the terms of this Agreement if Customer accepts the quoted pricing.

#### **3.4 Prices and Orders**

Customer agrees that Apple may change Product offerings, discounts and pricing at any time and without notice to Customer. Prices include standard freight and insurance using an Apple-selected carrier. Apple does not guarantee that Products will be available at all times during the Term. Apple reserves the right to accept or decline any order, in whole or in part. Apple may cancel any accepted order prior to shipment, if in its sole discretion, Apple determines that it has insufficient inventory to fulfill such order. Apple may make partial shipments of Customer's orders and will not be liable for any failure to ship complete orders. Customer will be invoiced separately for each partial shipment and will pay each invoice when due, without regard to subsequent deliveries. Apple will allocate its available inventory and make deliveries (including partial shipments) in its sole discretion and without liability to Customer.

#### **3.5 Delivery**

3.5.1 Except for U.S. federal government agencies, title and risk of loss to all Products will pass to Customer upon shipment from Apple's shipping location. For Products shipped pursuant to Apple's standard practices, Apple will issue credits or replace Products returned due to damage in transit or that are lost in transit. When Products are not shipped pursuant to Apple's standard practices but instead via a carrier selected by Customer, Apple will not issue credits or replace Products returned due to damage in transit or that are lost in transit and Customer's sole recourse for loss or damage shall be against its own insurer, its selected carrier, and its carrier's insurer. Customer shall insure Products for their full replacement value for delivery to Customer until Customer has paid Apple in full for such Products, and shall name Apple as a loss payee on the Customer's policy. For both government and non-government sales, shipping charges for orders shipped under Customer's instructions will be added to Apple's invoice or shipped freight collect, at Apple's option.

3.5.2 For orders picked up by Customer at the Apple Retail Store, risk of loss or damage to Products will pass to Customer upon pick up of the Products from the Apple Retail Store. Title to the Products will pass to Customer when Apple provides notice that the Products are available for pick up from the Apple Retail Store. Customer shall contact the Apple Retail Store for any issues regarding pick up of the Products.

3.5.3 For U.S. federal government agencies only, title and risk of loss to all Products will pass to Customer upon delivery to Customer.

#### **3.6 Payment**

3.6.1 Unless Customer qualifies for credit with Apple or except as otherwise approved by Apple, Customer shall pre-pay for all orders placed.

3.6.2 Provided that Customer qualifies for credit with Apple, Customer shall be invoiced upon shipment of Products or performance of Services (as applicable), and provided Customer is qualified for credit with Apple, payment of such invoice is due no later than thirty (30) days from the invoice date.

3.6.3 Apple may in its sole discretion establish a Line of Credit for Customer. If Apple establishes a Line of Credit it will do so to the extent permitted by law and under the following minimum terms and conditions:

3.6.4 Payment terms for all amounts due from Customer to Apple (including payments for Services) will be net thirty (30) days from the date of Apple's invoice, except as may otherwise be required by Apple in writing. Invoices must be paid in full by direct debit or other electronic payment

method agreed between the parties in the currency invoiced without deduction, counterclaim or set off (statutory or otherwise) and in clear funds. If a direct debit is returned unpaid, Apple shall be entitled to place the Customer's account on credit hold until payment is received in full.

3.6.5 The Line of Credit will limit the aggregate amount of credit that may be extended at any time to Customer for amounts owing to Apple under this Agreement, any other agreement or for any other sales or extensions of credit of any kind by Apple to Customer. The amount of the Line of Credit may be immediately adjusted upwards or downwards at any time as appropriate, at the discretion of Apple. In exercising its discretion, Apple reserves the right to consider and act upon the following, among other criteria: (i) the profitability and financial well being of Customer; (ii) whether current and accurate financial and business performance information are provided in a timely fashion by Customer; (iii) the amount and likely present value of whatever collateral or credit enhancement has been provided; and (iv) whether Apple will likely be, or has been required to realize upon and liquidate such collateral or credit enhancement. Customer acknowledges that Apple can reduce, vary or cancel the Line of Credit at any time.

3.6.6 Apple may place sales to Customer on immediate credit hold (i.e., suspend all sales to Customer) whenever the outstanding balance owed by Customer and its subsidiaries and/or affiliates to Apple would exceed the Line of Credit or whenever Customer fails to make payment to Apple in accordance with established terms.

3.6.7 Without prejudice to its right to terminate this Agreement for breach under Section 10, Apple reserves the right to withhold shipment and/or to declare all sums immediately due and payable in the event of a breach by Customer of any of its obligations to Apple, including the failure to comply with any credit terms.

3.6.8 Should there at any time be monies owing from Apple to Customer, Apple will have the right to setoff such sums and apply them to any sums (whether or not due) owed by Customer or its affiliates or subsidiaries to Apple.

3.6.9 Upon Apple's reasonable request, Customer will provide to Apple (or an Apple affiliate): (i) audited annual financial statements, including a balance sheet, cash flow and profit and loss statements, as well as auditors' report and notes to financials; (ii) financial statements and similar financial information or reports routinely provided to any other vendor, lender or creditor to support extensions of credit, and (iii) such other financial information as may be reasonably requested by Apple in a format agreed upon by Apple and Customer. If such information is not provided in a timely manner, Apple may suspend all sales to Customer or exercise any other remedies hereunder until such information is provided to Apple.

3.6.10 All applicable local sales or use taxes, duties and other imposts, if any, due on account of purchases hereunder shall be paid by Customer. Proof of tax-exempt status must be on file at Apple's Support Center for any order to be treated as a tax-exempt transaction. Apple will also charge for any fees due from Customer by regulation or statute, including, if applicable, fees due under the California Electronic Waste Recycling Act or similar laws in other states. Apple reserves the right to change its price lists and Customer's credit terms at any time. In addition to Apple's other rights herein, Apple reserves the right, without liability or obligation to Customer, to suspend deliveries due to a payment default.

### **3.7 Product Returns**

Products purchased hereunder shall be subject to Apple's then-current policies for defective and dead-on-arrival (DOA) Products.

### **3.8 Support**

Apple will provide post-sales support for Apple Products as described in the documentation accompanying such Apple Products. Apple will not provide support for any Products other than unmodified Apple Products.

## **4. Confidentiality**

4.1 During the Term and for five (5) years thereafter, Customer will not use Apple Confidential Information except as required to achieve the objectives of this Agreement, or disclose such Apple Confidential Information except to employees or contractors who have a need to know. Customer will not make any disclosure or statement of Apple Confidential Information in connection with the Agreement or its subject matter without Apple's prior, specific written consent. Customer shall not make any public statement regarding any item of Apple Confidential Information, including but not limited to any matter of business between Customer and Apple, or the nature of any contractual relations between Apple and Customer or any third party. Customer may disclose Apple Confidential Information to the extent required by law, provided that it first makes reasonable efforts to give Apple notice of such requirement prior to any such disclosure and takes reasonable steps to obtain protective treatment of the Apple Confidential Information.

4.2 Apple will not use Customer Confidential Information except as required to achieve the objectives of this Agreement, or disclose such Customer Confidential Information except to employees, agents or contractors who have a need to know or as required by law. Except as otherwise stated herein, Apple will not make any disclosure or statement of such information without the Customer's prior written consent or as required by law.

## **5. Representations and Warranties**

5.1 Customer represents and warrants that: (i) it has the right to enter into this Agreement and perform its obligations hereunder; (ii) the terms of this Agreement do not violate and will not cause a breach of the terms of any other agreement to which Customer is a party or by which it is bound; and (iii) all Products purchased will be for Customer's own use in its facilities in the United States and will not be purchased for resale to any other entity or individual.

## 5.2 Apple Limited Warranty

The sole warranty for an Apple Product purchased hereunder shall be the Limited Warranty. Except for the Limited Warranty, all Apple Products are sold "as is" and without additional warranty or support from Apple. All Products, other than Apple Products, are sold "as is" and without warranty or support from Apple, but may be accompanied by a manufacturer's warranty, as more particularly provided in the warranty documentation that accompanies such Products. Upon Customer's request, Apple will provide a copy of the manufacturer's warranty accompanying Products offered by Apple under this Agreement. Nothing in this Agreement shall be construed as obligating Apple to provide any warranty-related fulfillment or support for any Products, other than Apple Products.

## 5.3 Disclaimer

5.3.1 EXCEPT FOR THE LIMITED WARRANTY, APPLE MAKES NO WARRANTIES, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS OR SERVICES, AND TO THE MAXIMUM EXTENT PROVIDED BY LAW, APPLE HEREBY DISCLAIMS SUCH WARRANTIES, INCLUDING BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

5.3.2 Apple Products are not intended or suitable for use in situations or environments where the failure or time delays of, or errors or inaccuracies in, the content, data or information provided by Apple Products could lead to death, personal injury, or severe physical or environmental damage, including without limitation the operation of nuclear facilities, aircraft navigation or communications systems, air traffic control, life support or weapons systems.

## 6. Indemnity

6.1 Provided that Customer promptly notifies Apple in writing, gives Apple sole control over the defense and all related settlement negotiations, and does not compromise or settle any claims then, subject to the terms of this paragraph and the exceptions and limitations set forth below, including but not limited to Section 7.1 and 7.2, Apple will defend any proceeding or action brought by a third party against Customer to the extent based on a claim that: (i) an Apple Product that Customer has paid to acquire from Apple infringes a U.S. patent, copyright, trademark or misappropriates a U.S. trade secret; or (ii) personal injury or tangible property damage suffered by such third party was caused by Apple's gross negligence or willful misconduct during the performance of Services.

6.2 Notwithstanding the foregoing, Apple shall not be liable or responsible for, or obligated to defend any claims or damages arising out of or related to: (a) modification of any Apple Product; (b) combination, operation or use of the Apple Product with any other equipment, data, documentation, items or products; (c) use of Apple Product in a manner or for a purpose, or in a location, for which it was not intended; (d) import or export of any Apple Product in violation of applicable export control requirements, regulations or laws; (e) use or exportation of any Product(s) into any countries identified on any U.S. Government embargoed countries list; (f) use of any Apple Product in a manner or for a purpose not authorized under the applicable license terms; (g) any other products; or (h) Customer, its employees, agents, affiliates, subsidiaries or subcontractor's negligent acts or omissions.

6.3 Customer shall promptly notify Apple, in writing, of any claim, demand, proceeding or suit of which Customer becomes aware which may give rise to a right of defense under Section 6.1 ("Claim"). Notice of any Claim that is a legal proceeding, by suit or otherwise, must be provided to Apple within thirty (30) days of Customer's first learning of such proceeding. Notice must be in writing and include an offer to tender the defense of the Claim to Apple. Apple, if it accepts such tender, may take over sole control of the defense of the Claim. That control includes the right to take any and all actions deemed appropriate by Apple in its sole discretion to resolve the Claim by settlement or compromise. Upon Apple's acceptance of tender, Customer will cooperate with Apple with respect to such defense and settlement. If a Claim is settled and to the extent permitted by law, neither Party will publicize the settlement and will make every effort to ensure the settlement agreement contains a non-disclosure provision.

6.4 In the event of a Claim, Apple may at its sole option (but shall not be obligated to): (i) procure for Customer the right to continue use of the applicable Apple Product(s); (ii) replace the applicable Apple Product(s); (iii) modify the applicable Apple Product(s); or (iv) refund the amount paid by Customer to Apple for the applicable Apple Product, less depreciation.
