PTA Membership Incentive 2023

This year our school set a PTA goal of 500 memberships. Our school exceeded our goal and reached over 700 memberships. Our incentive was Principal Williams becoming a human ice cream sundae. Classrooms with 100 percent earned an ice cream party.

Vice President

NEW SOCCER FIELDS

One of the cool things about our school are the new soccer courts. Each court has boundaries lines, two goals and colored vests to distinguish the teams. Now soccer is much more organized and fun for us to play.

Secretary

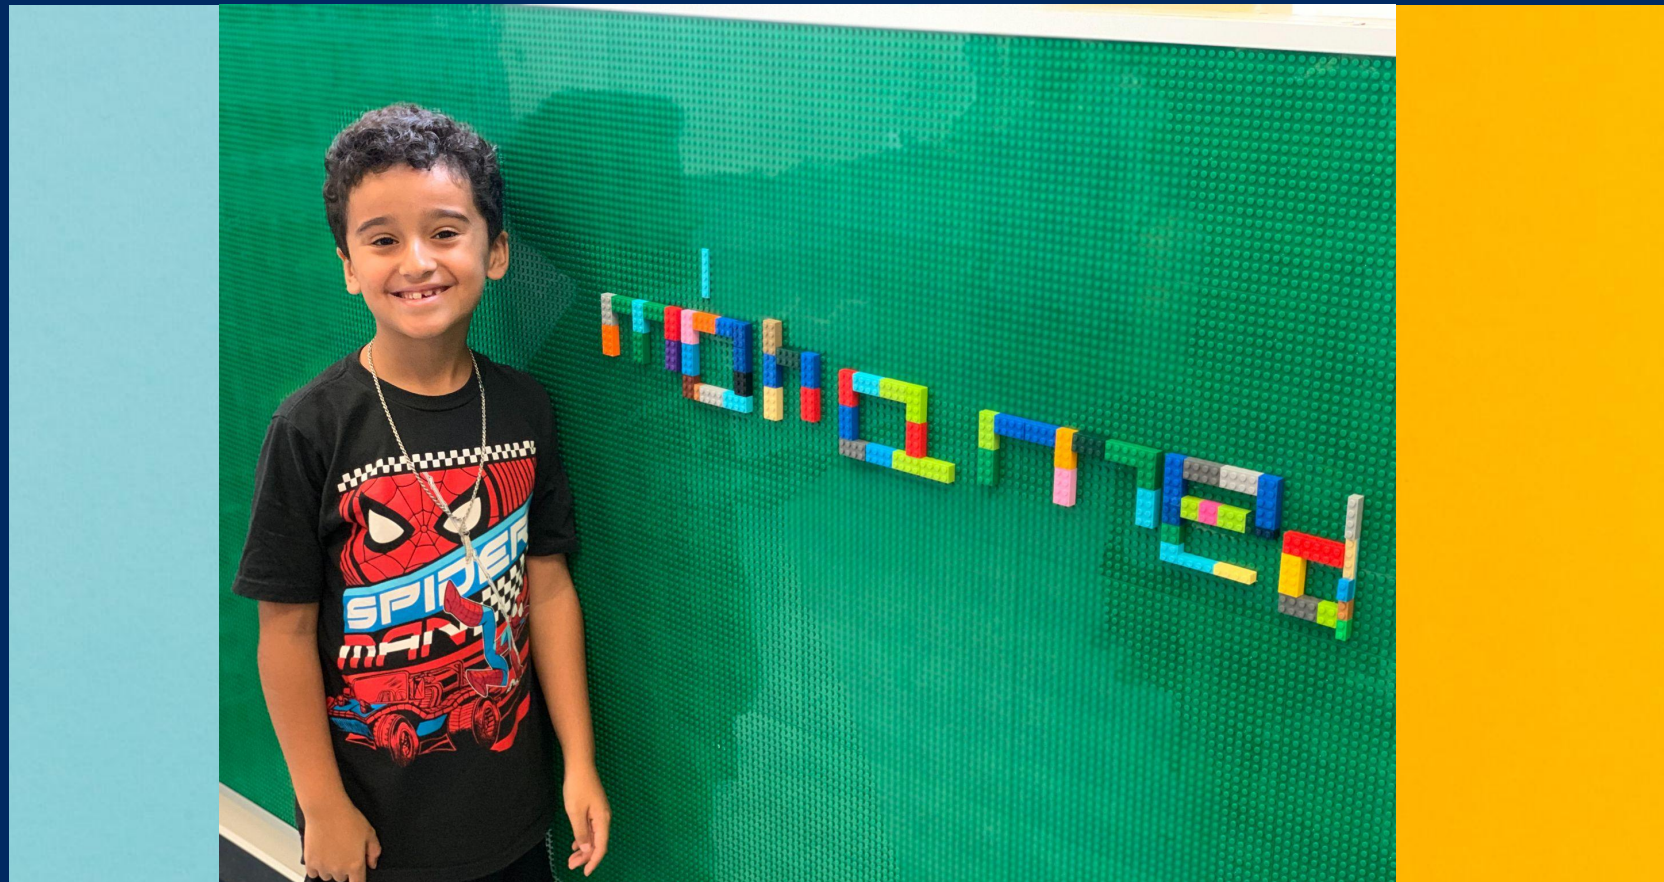

B.E.E.P. EXPECTATIONS, BUCKS & STORE

At our school we can earn BEEP bucks for following the BEEP expectations. Every other Wednesday the BEEP store opens for students to buy cool items, snacks or events like Pizza with the Principal, glow parties and innovation lab VIP time.

Treasurer

INNOVATION LAB

Twice per month we visit the innovation lab where we learn while having fun, being creative and exploring. Some stations include lego wall, marble run, minecraft and green screen. We have used the sketches app to draw a California Region.
