IB Mission Statement

The International Baccalaureate aims to develop inquiring, knowledgeable and caring young people who help create a better and more peaceful world through intercultural understanding and respect.

Each of our units has a central idea and three lines of inquiry that we investigate.

2nd Grade Units of Study

Central Idea: Our actions can inspire change around the world

An inquiry into:

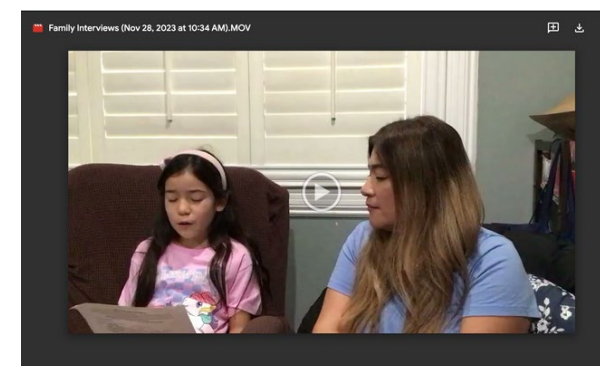

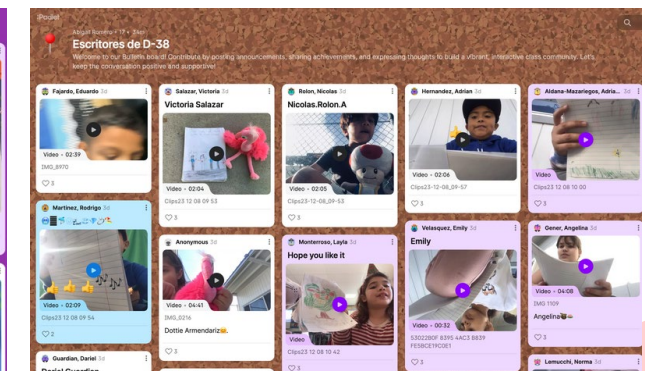

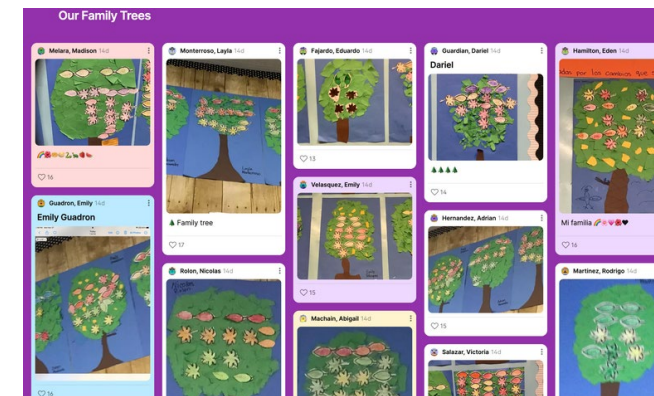

- the traits that I identify in a hero
- the traits my community identifies as a hero
- the traits the world identifies as heroic

Central Idea: Histories are shaped by the changes that occur over time

An inquiry into:

- important events in our lives
- the history of my life
- the similarities and differences between my daily life and my elders'

4th Grade Units of Study

Central Idea: Human migration leads to new opportunities.

An inquiry into:

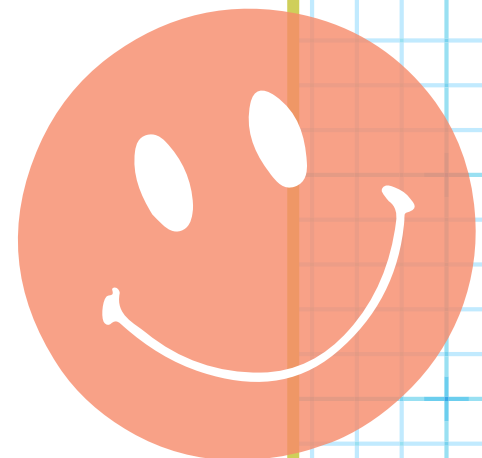

- migration
- the cause and effect of migration
- new opportunities

Central Idea: An inquiry into the structure and function of organizations

An inquiry into:

- innovations both past and present
- the impact that innovations have on society
- the impact that innovations have on environments

Thank you!
