TO: ALL BID DOCUMENT HOLDERS OF RECORD

FROM: DANNY JIMENEZ, BUYER

SUBJECT: **ADDENDUM NO. 1 TO BID DOCUMENTS FOR STM GOODS DUX
KEYBOARD IPAD CASE, BID No. 23/24-37**

This Addendum forms a part of the bid documents for the project identified above. All remaining portions of the bid documents not specifically mentioned or otherwise revised by this Addendum remain in full force and effect.

The bid documents are modified as set forth below:

1. Modified IFB, Instruction to Bidders & General Conditions, section 25
STANDARD COMMERCIAL USE (Products Only) clause to the following:
 25. **STANDARD COMMERCIAL USE (Products Only)** – The vendor, whether manufacturer, supplier, distributor or retailer, hereby certifies that the products offered under this bid have been placed in regular commercial use and that adequate spare parts exist in the marketplace for the items sold. Submit all requests for deviations to this clause as an “or equal” deviation.
2. Replace in its entirety SPECIFICATIONS sheet – pg.14, with EXHIBIT 1 attached hereto.

Sincerely,

Danny Jimenez
Buyer, Purchasing Department

STM Goods DUX Keyboard iPad Case

DUX

KEYBOARD TRACKPAD USB-C

Integrated USB-C Cable allows for easy direct connection to iPad

The smarter case for your iPad

A brilliantly designed keyboard case, with rugged bump protection, Apple Pencil 1, Pencil USB-C or Logitech Crayon storage, full-function trackpad, and USB-C connectivity to make your iPad experience even smarter.

Smarter Features

- » Designed to exceed US Military spec 810H drop test, with rubberised TPU bracket for even the most accident prone among us (with keyboard cover closed)
- » USB-C keyboard is connected internally and discreetly to the iPad through the bracket, to provide seamless typing and trackpad experience. This is not a Bluetooth keyboard, it is connected via cable directly to the iPad, to provide a secure and reliable connection to the iPad
- » Fully functional trackpad allows you to click, swipe, and scroll just as you'd expect
- » The ruggedised Dux USB-C keyboard resists little spills & splashes as well as keys being pried off by curious little fingers or accidental snags
- » Adjust your iPad to view at the angle most comfortable for you with the smooth and sturdy built-in adjustable 180° Infinity Stand
- » Keep your Apple Pencil Gen 1, Pencil USB-C or Logitech Crayon handy and securely stowed in the dedicated storage slot
- » Keyboard USB-C port supports both charging and audio letting you connect your USB-C headphones
- » Keyboard AUX port supports audio letting you connect your 3.5mm headphone jack
- » Keyboard is plugged directly into the iPad's USB-C port for power and connectivity
