

AVID

NEWSLETTER- FALL '24

UPDATES AT A GLANCE

- AVID is represented by the eyeglasses wingding: 🧐
- Last year, 90% of AVID students passed their math class with a C- or higher. Students continue to use higher-level questioning skills and twice-weekly tutorials to develop proficiency.
- This fall we welcomed over 144 AVID freshmen to Warren. Warren AVID has 522 students enrolled, 14% of the student body.
- Our annual tailgate with our middle schools was the best attended yet! Thanks to the hard work of AVID 10 teacher, Mr. Danny Mendez, Mr. Ray Trejo, DJ Fisher Price, and everyone who helped to make this happen for our students!

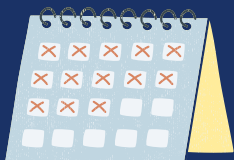

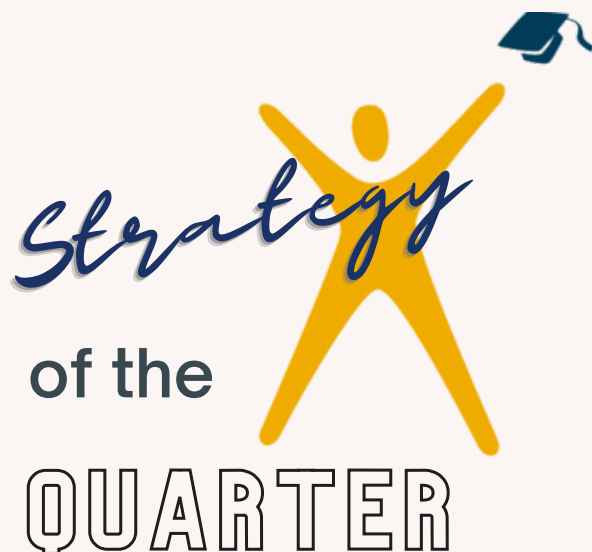

Fall 2024 AVID Tailgate

Silent Conversations

Create 4-5 open-ended questions and set up discussion spaces, either on chart paper or printed sheets. Students will engage in a silent written conversation, responding to each other's ideas using different colored pens or initials. Encourage them to elaborate on ideas rather than just agreeing or disagreeing. After 15-20 minutes, let students review the responses and reflect on the discussion, either by sharing or writing their thoughts.

UPCOMING EVENTS

AVID 12 Financial Aid Info Night is October 23rd.
